

*"We will always be there when you need us."*

---

## AERIAL

At Penta Communications, we have placed millions of feet of aerial cable. We have aerial construction experience in all applications.

From laterals to buildings, to cable placement along telephone poles, to emergency restoration, we can be there before you need us. Our foreman applies top-notch quality to our builds; even in outrageous situations.

*We do it right, **the first time, faster.***
